Halo Star Wars Crossover

wake up john cortana called loudley as the master chief remembered a few years ago telling cortana to wak him when she needed to."Chief it seems we went through a portal to another time"said Cortana."Where exactley are we"asked the Chief as he looked around the wrecked Forward Unto Dawn."We are at Earth in the 3000's wait there seemingly only one continent left "replied Cortana."We will land there said the chief".It took about five minutes for them to get the ship landed(if you want to find out where they landed pm me or read on)"Im not getting any energy signals from anywhere except from a place off west of our location,and i will see if i can send a distress signal to the sepratists or the unsc but im not entirley sure it will work".Thats fine as long as we find out what is happening.
